

CAST LIST BY ARTIST

Notes and Disclaimer

This is a snapshot of a fluid cast list. Your “official” cast assignments are always recorded in VSM and listed under your name there, and that record is current and supersedes any other list (including this one.). Assignments may change for various reasons. Anyone affected by a casting change will be notified. Please do not have relatives book tickets based on your expected performance dates until we have begun rehearsals in January, when casting should be fairly stable. Please contact the Director at dcpinkham54@gmail.com if you have any questions or if you notice any mistakes in this list.

With exceptions for *Ballroom Dancers* and *Principals*, all cast members should have at least one “Castle-related” role in one cast and at least one “Townsperson-related” role in the other cast. See below for Town and Castle related ensemble and supporting roles.

Not yet cast: puppeteers by specific assignment and the Giant.

Key

P = Poppycock T = Twaddle
